

PTA Standards of Conduct

Our executive board and committee chairpersons act as a team for the benefit of Weyerhaeuser Elementary Students.

- We respect differences of opinion and strengths in each other. “We’re in this together.”
- What is decided by our team is final and should not be discussed outside of meetings. “If you can’t speak up in a meeting, don’t wag your tongue in the parking lot.”
- All budget-related decisions are made by the Budget Committee and enforced by the executive board. Committees must stay within their budgets and are encouraged to come in under budget whenever possible. 😊

Ground Rules (At all events and meetings)

- Have fun!
- Keep it professional and focused on our PTA mission and goals.
- Make PTA a friendly place where everyone would like to be!

I, _____ agree to the above rules and standards, and will abide by them in my role with the children, parents, and staff of Weyerhaeuser Elementary.
